

Withania somnifera

ANXIETY & STRESS

ASHWAGANDHA

A revered adaptogenic root that calms the nervous system and restores balance to an exhausted body and mind.

MEDICINAL BENEFITS

- Reduces cortisol levels
- Calms nervous system
- Improves sleep quality
- Boosts energy and stamina
- Supports thyroid function

USAGE

- Root tea daily
- 300 to 600mg capsules
- Tincture drops
- Warm milk powder
- Decoctions

Caution: *Avoid during pregnancy. May interact with thyroid and immune suppressing medications.*

Lavandula angustifolia

ANXIETY & STRESS

LAVENDER

A purple flower that people all over the world use to feel less anxious and sleep more easily at night.

MEDICINAL BENEFITS

- Reduces anxiety and stress
- Promotes deep relaxation
- Relieves tension headaches
- Soothes irritated skin
- Eases insomnia naturally

USAGE

- Essential oil diffuser
- Dried flower tea
- Tincture drops
- Pillow sachet blend
- Topical balm or cream

Caution: Avoid undiluted essential oil directly on skin. Use cautiously during pregnancy and with sedative medications.

Passiflora incarnata

ANXIETY & STRESS

PASSIONFLOWER

A beautiful climbing vine whose flowers help quiet a busy mind and make it easier to fall asleep.

MEDICINAL BENEFITS

- Reduces anxiety naturally
- Improves sleep quality
- Calms nervous system
- Eases overthinking
- Relieves muscle tension

USAGE

- Hot tea before bed
- Tincture drops
- 400mg capsules
- Dried herb bath soak
- Combined sleep blend

Caution: Avoid during pregnancy. May enhance the effect of sedative medications. Do not drive after use.

Ocimum tenuiflorum

ANXIETY & STRESS

HOLY BASIL

A sacred herb from India that helps the body cope with stress and keeps energy levels feeling steady.

MEDICINAL BENEFITS

- Lowers cortisol levels
- Balances stress hormones
- Sharpens mental clarity
- Supports immune function
- Reduces inflammation naturally

USAGE

- Fresh leaf tea daily
- Dried herb capsules
- Tincture drops
- Adaptogen smoothie blend
- Aromatherapy steam

Caution: Avoid during pregnancy and while trying to conceive. May interact with blood thinning medications. Consult physician before long term use.

Matricaria chamomilla

SLEEP & INSOMNIA

CHAMOMILE

A gentle sun-faced flower that has tucked restless souls into sleep with quiet grace since the earliest days of herbal medicine.

MEDICINAL BENEFITS

- Promotes deep sleep
- Reduces nighttime anxiety
- Soothes digestive tension
- Calms muscle spasms
- Gentle enough for children

USAGE

- Hot tea before bed
- Essential oil diffuser
- Capsules or tablets
- Tincture drops
- Topical skin compress

Caution: Avoid if allergic to ragweed family plants. Use cautiously during pregnancy in large amounts.

Valeriana officinalis

SLEEP & INSOMNIA

VALERIAN ROOT

A root that has been used since ancient times to help people fall asleep faster and stay asleep longer.

MEDICINAL BENEFITS

- Induces deep sleep
- Reduces time falling asleep
- Eases restless leg syndrome
- Calms nighttime nervousness
- Non habit forming sleep aid

USAGE

- Root tea at night
- 300 to 600mg capsules
- Tincture drops before bed
- Dried root bath soak
- Combined sleep formula

Caution: Avoid with sedatives and alcohol. Do not drive after use. Not recommended for children under 12.

Melissa officinalis

SLEEP & INSOMNIA

LEMON BALM

A bright citrus scented herb from the mint family that lifts the spirit by day and gently releases the mind into sleep by night.

MEDICINAL BENEFITS

- Reduces sleep disturbances
- Eases nervous exhaustion
- Lifts mild low mood
- Calms digestive stress
- Sharpens daytime focus

USAGE

- Fresh or dried leaf tea
- Tincture drops
- 300mg capsules daily
- Combined with valerian
- Aromatherapy balm

Caution: Avoid with thyroid medications. Use cautiously during pregnancy.
May enhance sedative effects when combined with other sleep herbs.

Humulus lupulus

SLEEP & INSOMNIA

HOPS

The same flower used to make beer has been trusted for centuries to help people get deeper and longer sleep.

MEDICINAL BENEFITS

- Shortens time to sleep
- Deepens sleep quality
- Reduces nighttime waking
- Calms nervous irritability
- Works synergistically with valerian

USAGE

- Dried flower tea at night
- 300 to 500mg capsules
- Tincture drops
- Hop pillow sachet
- Combined sleep blend

Caution: Avoid during depression as it may worsen low mood. Not recommended during pregnancy. Avoid with sedative medications.

Sambucus nigra

IMMUNITY & COLDS

ELDERBERRY

Deep purple berries from the ancient elder tree, carried across continents as winter's most trusted shield against illness and infection.

MEDICINAL BENEFITS

- Shortens cold duration
- Boosts immune response
- Rich in antioxidants
- Reduces flu severity
- Anti-inflammatory action

USAGE

- Elderberry syrup daily
- Gummies or lozenges
- Hot berry tea
- Tincture drops
- 500mg capsules

Caution: *Raw berries are toxic and must never be consumed uncooked. Always use prepared extracts or properly cooked preparations only.*

Echinacea purpurea

IMMUNITY & COLDS

ECHINACEA

The purple coneflower of the American prairie, revered by Indigenous healers for generations as nature's first defense against invading illness.

MEDICINAL BENEFITS

- Stimulates immune system
- Reduces cold duration
- Antiviral properties
- Supports lymph function
- Reduces upper respiratory symptoms

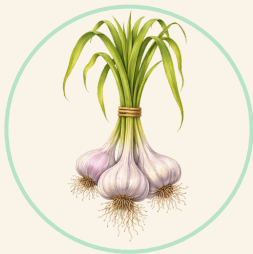

USAGE

- Tincture drops at onset
- 400mg capsules daily
- Root decoction tea
- Throat spray formula
- Combined immune blend

Caution: Avoid with autoimmune conditions. Do not use continuously longer than 8 weeks. Consult physician if on immunosuppressant medications.

Allium sativum

IMMUNITY & COLDS

GARLIC

The most ancient medicinal food on Earth, prescribed by healers across every civilization for its fierce and proven power against infection.

MEDICINAL BENEFITS

- Powerful natural antibiotic
- Boosts white blood cells
- Lowers blood pressure
- Reduces cold frequency
- Strong antifungal action

USAGE

- Raw crushed clove daily
- Aged garlic capsules
- Garlic infused honey
- Warming garlic broth
- Garlic tincture drops

Caution: May interact with blood thinning medications. Avoid high doses before surgery. Raw garlic may irritate sensitive stomachs.

Origanum vulgare

IMMUNITY & COLDS

OREGANO

A common cooking herb whose oil is so powerful against germs that scientists have studied it in clinical research.

MEDICINAL BENEFITS

- Strong antimicrobial action
- Fights respiratory infections
- Natural antifungal properties
- Rich in immune boosting antioxidants
- Reduces inflammation rapidly

USAGE

- Oil of oregano drops
- Dried herb tea
- 500mg capsules
- Steam inhalation blend
- Cooking and broths daily

Caution: *Never use undiluted essential oil internally. Avoid during pregnancy. May interact with blood thinning and diabetic medications.*

Zingiber officinale

DIGESTION & BLOATING

GINGER

A fiery golden root prescribed in every traditional medicine tradition on Earth for its remarkable ability to settle the most troubled digestive system.

MEDICINAL BENEFITS

- Relieves nausea instantly
- Reduces bloating and gas
- Speeds up digestion
- Soothes stomach cramps
- Reduces gut inflammation

USAGE

- Fresh root tea daily
- 250mg capsules
- Ginger tincture drops
- Cooking and broths
- Warm compress topical

Caution: Avoid high doses with blood thinning medications. Use cautiously before surgery. May cause heartburn in sensitive individuals.

Mentha piperita

DIGESTION & BLOATING

PEPPERMINT

A cool refreshing herb that relaxes the stomach muscles and relieves bloating and gas after meals very quickly.

MEDICINAL BENEFITS

- Relieves irritable bowel
- Reduces abdominal bloating
- Eases digestive spasms
- Freshens breath naturally
- Calms nausea effectively

USAGE

- Fresh leaf tea after meals
- Enteric coated capsules
- Tincture drops
- Topical abdominal oil
- Steam inhalation blend

Caution: Avoid with acid reflux as it relaxes the esophageal sphincter. Keep essential oil away from children's faces. Never use undiluted on skin.

Foeniculum vulgare

DIGESTION & BLOATING

FENNEL

A sweet anise flavored herb that has been used to calm bloated and gassy stomachs in both adults and babies.

MEDICINAL BENEFITS

- Relieves gas and bloating
- Relaxes intestinal muscles
- Supports healthy digestion
- Reduces infant colic
- Freshens breath naturally

USAGE

- Seed tea after meals
- Crushed seed chewing
- 300mg capsules
- Fennel tincture drops
- Cooking spice daily

Caution: Avoid in high doses during pregnancy. May interact with certain antibiotics and estrogen medications. Patch test for skin sensitivity.

Taraxacum officinale

DIGESTION & BLOATING

DANDELION

The common garden weed that most people pull out is actually one of the best herbs for liver and gut health.

MEDICINAL BENEFITS

- Stimulates bile production
- Supports liver detoxification
- Reduces water retention
- Improves nutrient absorption
- Feeds healthy gut bacteria

USAGE

- Roasted root coffee
- Dried root tea daily
- 500mg capsules
- Fresh leaf salad
- Tincture drops

Caution: Avoid with gallbladder conditions or bile duct blockage. May interact with diuretic and lithium medications.

Rhodiola rosea

ENERGY & FATIGUE

RHODIOLA

An arctic root that has sustained Siberian warriors and Himalayan monks through brutal cold and exhaustion for over three thousand years.

MEDICINAL BENEFITS

- Fights physical fatigue
- Sharpens mental focus
- Reduces burnout symptoms
- Boosts athletic endurance
- Balances stress hormones

USAGE

- 200 to 400mg capsules
- Root tea each morning
- Standardized extract
- Tincture drops
- Adaptogen blend formula

Caution: Avoid with bipolar disorder. Take in the morning only to prevent insomnia. Consult physician before use with antidepressants.

Panax ginseng

ENERGY & FATIGUE

GINSENG

The emperor root of Chinese medicine, prized above all other tonics for its extraordinary ability to restore vitality to the deeply depleted body.

MEDICINAL BENEFITS

- Restores deep energy reserves
- Improves cognitive performance
- Strengthens immune response
- Enhances physical stamina
- Supports blood sugar balance

USAGE

- 200 to 400mg capsules
- Sliced root tea daily
- Standardized extract
- Tincture drops
- Traditional red ginseng tea

Caution: Avoid with blood pressure medications and blood thinners. Not recommended for children. Limit use to 3 months then rest.

Lepidium meyenii

ENERGY & FATIGUE

MACA ROOT

A root grown high in the Andes mountains that gives the body steady lasting energy without the crash of caffeine.

MEDICINAL BENEFITS

- Boosts sustained energy levels
- Balances hormones naturally
- Enhances mood and drive
- Supports fertility in both sexes
- Improves exercise performance

USAGE

- Powder in smoothies daily
- 1500 to 3000mg capsules
- Maca root tea
- Added to oatmeal or baking
- Combined adaptogen blend

Caution: *Avoid with hormone sensitive conditions including estrogen dependent cancers. Consult physician if on hormone replacement therapy.*

Tanacetum parthenium

HEADACHE & MIGRAINE

FEVERFEW

A small white flower that people have used for centuries to stop headaches before they start and reduce how often they come.

MEDICINAL BENEFITS

- Prevents migraine attacks
- Reduces migraine frequency
- Inhibits inflammatory compounds
- Eases associated nausea
- Calms muscle tension

USAGE

- Fresh leaf daily (sandwich)
- 100 to 300mg capsules
- Dried herb tea
- Tincture drops

Caution: *Never stop suddenly after long use as rebound headaches may occur. Avoid during pregnancy. May interact with blood thinning medications.*

Petasites hybridus

HEADACHE & MIGRAINE

BUTTERBUR

A riverside plant that has been shown in studies to help people get fewer migraines each month.

MEDICINAL BENEFITS

- Reduces migraine frequency
- Clinically studied and validated
- Relieves allergic headaches
- Reduces inflammation pathways
- Eases associated neck tension

USAGE

- 2 capsules daily with food
- PA free certified capsules only
- Twice daily with meals
- Combined migraine formula
- Preventative daily supplement

Caution: Only use PA free certified extracts — raw butterbur contains liver toxic compounds. Avoid during pregnancy. Consult physician before use.

Salix alba

HEADACHE & MIGRAINE

WHITE WILLOW BARK

The original source of aspirin, this tree bark has been used to ease pain and headaches long before modern medicine existed.

MEDICINAL BENEFITS

- Relieves tension headaches
- Reduces inflammation
- Eases chronic head pain
- Natural pain blocking action
- Gentle on the stomach

USAGE

- Bark tea twice daily
- 400mg capsules
- Tincture drops
- Combined pain formula
- Standardized bark extract

Caution: Avoid if allergic to aspirin. Do not give to children. Use cautiously with blood thinning medications.

Calendula officinalis

SKIN CONDITIONS

CALENDULA

A bright orange flower that healers have used for centuries to calm irritated skin and help small wounds heal faster.

MEDICINAL BENEFITS

- Heals cuts and wounds
- Reduces skin inflammation
- Soothes eczema and rashes
- Natural antifungal action
- Speeds up skin cell repair

USAGE

- Infused oil balm
- Calendula cream daily
- Petal tea skin wash
- Tincture topical apply
- Bath flower soak

Caution: Avoid if allergic to daisy family plants. Always patch test before first use. Avoid contact with eyes.

Aloe barbadensis miller

SKIN CONDITIONS

ALOE VERA

A spiky succulent whose clear inner gel is one of the most effective natural treatments for burned and damaged skin.

MEDICINAL BENEFITS

- Soothes sunburn instantly
- Speeds up wound healing
- Reduces skin redness
- Deeply hydrates dry skin
- Calms psoriasis flare ups

USAGE

- Fresh gel direct from leaf
- Pure aloe vera gel topical
- Aloe juice drink daily
- Combined skin serum
- After sun cooling spray

Caution: *Never apply to deep open wounds. Avoid oral use during pregnancy. Yellow latex layer under skin may cause digestive irritation.*

Rosa canina

SKIN CONDITIONS

ROSEHIP

The small red fruit left behind after a rose blooms is packed with vitamin C and skin healing oils that few plants can match.

MEDICINAL BENEFITS

- Reduces acne scarring
- Brightens uneven skin tone
- Boosts collagen production
- Fades stretch marks gradually
- Rich in skin loving antioxidants

USAGE

- Rosehip seed oil topical
- Dried fruit tea daily
- 500mg vitamin C capsules
- Combined facial serum
- Infused oil night treatment

Caution: Patch test before facial use. Avoid undiluted rosehip oil on acne prone skin. High vitamin C intake may cause digestive discomfort.

Hypericum perforatum

MOOD & DEPRESSION

ST. JOHN'S WORT

A sunny yellow wildflower that has been used across Europe for centuries to lift low mood and bring light back to dark days.

MEDICINAL BENEFITS

- Lifts mild to moderate depression
- Reduces anxiety and worry
- Eases seasonal mood changes
- Calms nervous exhaustion
- Improves overall emotional wellbeing

USAGE

- 300mg capsules three times daily
- Dried flower tea
- Tincture drops
- Standardized herbal extract
- Combined mood support blend

Caution: *Serious interactions with antidepressants, birth control and blood thinners. Always consult a doctor before use.*

Crocus sativus

MOOD & DEPRESSION

SAFFRON

The world's most expensive spice is also one of the best studied natural remedies for low mood and mild depression.

MEDICINAL BENEFITS

- Lifts low mood naturally
- Reduces mild depression symptoms
- Boosts serotonin levels
- Eases PMS related mood swings
- Improves memory and focus

USAGE

- 30mg daily in warm water
- Capsule supplement form
- Added to warm milk
- Cooking spice in food
- Combined mood formula

Caution: Avoid high doses during pregnancy as it may stimulate uterine contractions. Do not exceed 30mg daily.

Rosmarinus officinalis

MOOD & DEPRESSION

ROSEMARY

A common kitchen herb with a sharp pine scent that wakes up the brain, clears mental fog and quietly lifts a low mood.

MEDICINAL BENEFITS

- Sharpens memory and focus
- Lifts mental fatigue naturally
- Reduces mild anxiety symptoms
- Improves blood flow to brain
- Boosts motivation and alertness

USAGE

- Fresh sprig tea daily
- Essential oil diffuser
- Scalp and temple massage
- Cooking herb in meals
- 400mg capsules

Caution: Avoid high doses during pregnancy. Do not use essential oil undiluted on skin. High amounts may trigger seizures in sensitive individuals.

Rubus idaeus

WOMEN'S HEALTH

RED RASPBERRY LEAF

The leaf of the raspberry plant has been used by women for generations to support the womb and ease the monthly cycle.

MEDICINAL BENEFITS

- Tones uterine muscles
- Eases menstrual cramps
- Reduces heavy bleeding
- Supports healthy pregnancy
- Rich in iron and magnesium

USAGE

- Hot leaf tea daily
- 400mg capsules
- Tincture drops
- Combined women's blend
- Cold brew pregnancy tea

Caution: Avoid in first trimester of pregnancy. Only use in third trimester under midwife guidance. May interact with hormonal medications.

Vitex agnus-castus

WOMEN'S HEALTH

VITEX (CHASTE TREE)

A small purple flowering tree whose berries gently balance female hormones and bring regularity back to an unpredictable cycle.

MEDICINAL BENEFITS

- Balances female hormones
- Regulates menstrual cycle
- Reduces PMS symptoms
- Eases breast tenderness
- Supports fertility naturally

USAGE

- 20 to 40mg capsules daily
- Dried berry tea morning
- Tincture drops
- Combined hormone blend
- Consistent daily use required

Caution: Avoid during pregnancy and with hormonal contraceptives. Results take 3 months of consistent use. Do not use with dopamine medications.

Actaea racemosa

WOMEN'S HEALTH

BLACK COHOSH

A woodland root from North America that Native women used for centuries to ease the natural transitions of the female body.

MEDICINAL BENEFITS

- Reduces hot flashes
- Eases menopause symptoms
- Calms mood swings naturally
- Relieves night sweats
- Supports hormonal balance

USAGE

- 20mg capsules twice daily
- Dried root tea
- Tincture drops
- Combined menopause formula
- Standardized root extract

Caution: Avoid with hormone sensitive conditions including breast cancer. Do not use longer than 6 months without medical supervision. Avoid during pregnancy.

Curcuma longa

PAIN & INFLAMMATION

TURMERIC

A golden kitchen spice that scientists have studied more than almost any other herb for its powerful ability to fight pain and inflammation.

MEDICINAL BENEFITS

- Reduces joint inflammation
- Eases arthritis pain naturally
- Powerful antioxidant action
- Supports gut lining health
- Protects brain from inflammation

USAGE

- Golden milk daily
- 500mg capsules with pepper
- Fresh root tea
- Cooking spice in food
- Combined joint formula

Caution: May interact with blood thinning medications. Avoid high doses during pregnancy. Always take with black pepper to improve absorption.

Boswellia serrata

PAIN & INFLAMMATION

BOSWELLIA

A resin tapped from ancient trees in India and Africa that has been used in sacred ceremonies and pain relief for thousands of years.

MEDICINAL BENEFITS

- Reduces chronic joint pain
- Eases osteoarthritis symptoms
- Lowers gut inflammation
- Improves knee mobility
- Reduces morning stiffness

USAGE

- 300mg capsules daily
- Combined joint supplement
- Boswellia resin tea
- Topical pain relief cream
- Combined with turmeric

Caution: Avoid during pregnancy. May interact with anti-inflammatory medications. Consult physician if taking immunosuppressant drugs.
